

Hikvision darkfighter series DS-2DY5223IW-AE Network IR Positioning System Lite is able to capture high quality images in dim light environment. Embedded with 1/1.9" progressive scan CMOS chip makes true WDR and 2MP real-time resolution possible. With the 23X optical zoom Day/Night lens, the positioning system offers more details over expansive areas.

Hikvision darkfighter series DS-2DY5223IW-AE Network IR Positioning System Lite also features Smart Defog and EIS (Electronic Image Stabilization), which can further supported to improve image quality in challenging conditions.
